

Catena Musicale per Pinelli

USI-CIT Puglia

19-11-2019

"Lo Stato è la legalizzazione della violenza" (striscione del Circolo Anarchico Ponte della Ghisolfia di viale Monza, 255 Milano negli anni immediatamente successivi alla "Strage di Stato".)

La sezione pugliese dell'Unione Sindacale Italiana aderisce all'iniziativa della "Catena musicale per Pinelli" programmata a Milano il 14 dicembre 2019 in memoria di Giuseppe Pinelli staffetta partigiana, ferroviere anarcosindalista e anarchico militante; di Pietro Valpreda accusato e ingiustamente carcerato per anni di imputazioni false e infamanti e di tutte le vittime innocenti della violenza dello Stato.

Noi non dimentichiamo né perdoniamo.

Per USI-CIT Puglia

Pasquale "lillino" Piergiovanni

Massimo Santaniello.
