Noi sottoscrittori di questo appello esprimiamo la più netta e ferma condanna dell'inaudita violenza di Stato che si è perpetrata nel cuore di Roma nei confronti di persone inermi e innocenti: centinaia di rifugiati, uomini, donne e bambini, sopravvissuti a guerre e persecuzioni di ogni genere e ora aggrediti con ingiustificata violenza dalle forze dell'ordine, caricati con manganelli e idranti (operazione ignobilmente definita di "cleaning"). <br>Si tratta di un delitto contro l'umanità, di una pagina vergognosa per la città di Roma e per l'Italia intera, di un pessimo segnale del Ministero degli Interni, della Prefettura e del comune di Roma, che rivelano tutta la loro pochezza nella cornice di un Paese quotidianamente sfigurato dallo scandalo dell'ingiustizia, da un impoverimento sociale e culturale preoccupante, da una regressionedi matrice francamente xenofoba e razzista. <br>È tempo di guardare sino in fondo l'orrore in cui stiamo precipitando, quell'orrore di cui è parte non secondaria la facoltà di assuefare e omologare. <br>È tempo di ammettere apertamente che la iniqua distribuzione della ricchezza e l'insaziabile accumulo sono una minaccia costante alla convivenza e alla coesione sociale. <br>È tempo di riscoprire quanto siano profonde e molteplici le nostre radici.Differenze che stimolano l'intelligenza e accendono l'immaginazione. <br>È tempo di riannodare i fili di una civiltà culturale, di uno spazio di convivenza comune, di una storia plurimillenaria che si stanno sgretolando ogni giorno sotto i nostri occhi. <br><br>Roma deve tornare ad essere città aperta, antirazzista e antifascista. <br><br>Tiziana Drago, Piero Totaro, Vittorio Boarini, Alessandro Bianchi, Giuseppe Aragno, Enzo Scandurra, Piero Bevilacqua, Ignazio Masulli, Pier Luigi Cervellati, Paolo Favilli, Laura Marchetti, Lucinia Speciale, Amalia Collisani, Maria Pia Guermandi, Velio Abati, Luisa Marchini, Francesco Trane, Cristina Lavinio, Francesco Santopolo, Rossano Pazzagli, Ugo Maria Olivieri, Peppe Allegri, Dario Bevilacqua, Alberto Ziparo, Piero Caprari, Francesco Cioffi, Giuseppe Saponaro, Tomaso Montanari, Luigi Valavà, Andrea Battinelli, Lidia Decandia, Francesca Leder, Stefan Sylod Labini, Michele Carducci. <br><br>Per aderire inviare una mail a: <a href="mailto:officina-dei-saperi@googlegroups.com"=">officina-dei-saperi@googlegroups.com</a>, <br><br></p></p>
